

Large Scale Three Dimensional Copper Enamel Workshop Registration Form.

May 20, 21, 22

Instructor: Sean Alton

Class hours 9:00 to 5:00 (both days)

Class Description

In this class you learn to develop three dimensional sculptures. Using a piece of copper sheet that is 12" square we will produce a free standing work of art see www.seanalton.com for examples.

I am exclusive in this direction and will show you everything you need to know to produce free standing or hang able art works.

Whether you want to take this class to expand your knowledge of enameling have an opportunity to do art shows with something fresh this is a class you won't want to miss.

Class Schedule: Day one: Friday

After a complete demonstration we will begin working out the individual

Projects "A drawing to go by is required "no worries I will help you if you need it" please see video on this subject at the seanalton.com video page. In the videos you will see all of the work that goes into making what we will be doing.

Day two: Saturday

There will be hammering and tooling done on this day to complete the copper stage of this project. We will also start enameling as well.

Day three: Sunday

Will continue working on the enameling of your work lots of time to complete. If you have a schedule that requires you to leave early on Sunday I will try to accelerate the process for you. .
